Products without GMO on label

Without GMO

Against GMO

If GMO is imposed

1 – Ethic

To be used as a tool for the GMO lobby.

2 – Certification

How can we be certified ISO 9001 if we don't respect client specification?

3 – Regulation

How can we respect the information of client :
- labelling all product prepacked and unprepacked
- close to the product.

**GMO products, it's a kind
of pest for catering
organisation!**

Another informations

1 – Request of Organic products by the client

2001 : 10%

2004 : 50%

2007 : 100 %
